📍 Suzhou

EDUCATION

2020.09–2024.06 Xi'an Jiaotong-liverpool University

Information and Computer Science

Calculus, Linear algebra, Discrete math, Computer system, Database development and design, Java ,Python , Data structure and algorithm, Operation system , Computer network, Academic English

GPA : 3.67

Scores in transcript are evaluated according to the the British standard.

RESEARCH EXPERIENCE

2022.6-2022.9

School Research: 3D Point Cloud-based Instance Segmentation for Small Objects Picking

Achievements:

- Collect 3D point clouds of object
- Data processing
- Semantic segmentation
- Instance segmentation
- Control robots to grasp objects

CERTIFICATION & SKILL

- **IELTS** : 6
- **Computer skill** : Python, Computer Vision and Image Process, Linux, PyTorch
- **COURSERA CERTIFICATES** : Introduction to Computer Vision and Image processing
Deep Learning Application for Computer Vision
